Links with Business and Training

As a satellite of Canterbury College, Sheppey achieved Action for Business College status in 2005. The accreditation is an award which recognises colleges that meet standards of excellence for working with and delivering learning to employers and their employees. Driven by the South East Regional Learning and Skills Council and the South East England Development Agency (SEEDA), the college was only the fourth in the South East to achieve this standard.

- The College works effectively with employers creating training solutions to support the demands of an ever changing workforce. The College offers a range of professional development courses and also design bespoke courses in collaboration with employers to meet their training needs.
